JOCKEY HIT WITH WHIP AND BADLY HURT; OFFICIAL OF RACES ARRESTED

Considerable of a Sensation Created at Fair Grounds Over the Incident—Police Act Promptly.

If it had not been for the prompt action of the police, assistant starter Burt Ezell would have been roughly handled at the fair grounds Thursday.

Jockey Avery McCullough was hit with a whip when he failed to get away on his mount in the six furlong dash, and his leg was badly cut. He declared that Ezell did it and, as the crowd in the grandstand saw the affair, many rushed onto the field and made for the official, but the police had already taken him in charge and kept the friends of the jockey and others interested in the race, from getting to the prisoner until he was slipped off to the city and to jail. The affair caused considerable of a

sensation. A complaint charging Ezell with aggravated assault, has been filed in county court. The hearing is scheduled for next week.

El Paso Horse Wins. Teddy Y., an El Paso horse, won the chamber of commerce \$1000 stakes Thursday in the Great Western harness races at the El Paso fair. Teddy Y. was formerly owned by Phil Young but was bought by W. J. Harris and added to his stable of racers.

Dick McMahon fared no better than second money in the Thursday harness races. In the match race, the 2:15 trot between Vastale, of the McMahon stable and Ante Russell, owned by C. H. Sommers and driven by Brown Ant Russell, took three straight heats and the race. In the first heat, the McMahon entry had a chance for a winning when Ante Russell broke on the back stretch, but the little animal regained her footing and finished by a nose after a hard drive. Ante led all the way in the second heat with Vastale trailing behind on the rail. In the third and final heat, Ante Russell again led Vastale for the distance and finished with the money cinched.

The Stake Race. In the stake race, the chamber of commerce race for a purse of \$1000, Teddy Y. won the three straight heats and the race, from Capt. Hunt, of the W. F. O'Brien stable, and Exponent, owned by Dick McMahon. Teddy Y. lowered her own record by stepping the second heat in 2:20 3/4, which is three seconds better than she had ever done before. Teddy Y. was out in front all the way in the first half of the first heat, breaking on the back stretch, but recovered in time to come up and win by a length and a half. Capt. Hunt second and Exponent third.

Teddy Y. a Winner. Capt. Hunt started after the first

position in the second heat but broke on the first turn, giving Teddy Y. the lead. She was leading at the half with Exponent second and the Captain third. The third heat was a procession led by the El Paso mare, who went under the wire an easy winner.

Tube Rose, ridden by S. Martin, the boy who was ruled off Wednesday for rough tactics back in the saddle by grace of the judge's leniency, won the four and one-half furlong dash in the first of the running races, after being told by the presiding officials to ride the race of his life. Tube Rose was out in front from the barrier and ran all the way. Uralia was second and Joe Blackstock third by suzerainty.

Jockey Hit With Whip. Hoyle, the favorite in the seven furlong dash and carrying all of the spare change, was left at the post in the second running race, to the chagrin of the backers. This is the race in which jockey McCullough failed to get away from the barrier and in which the trouble occurred between the jockey and the assistant starter. The jockey, whose leg was badly cut by the whip, had to be carried from the field.

Unknown got away in the lead and kept the distance all the way. John Sparks trailing and Nedkiet third. This was the order in which the horses finished.

The final race on the program, the six furlong dash, went to Bellflower after St. Joe had made a game effort to make a winning. Bellflower finished in front with St. Joe second and Rebo third.

The Summaries. Chamber of Commerce stakes, 2:15 trot, purse \$1000—Teddy Y. (Frederic) W. J. Harris, owner 1 1 1 Capt. Hunt (O'Brien) W. F.

POLO HAS ITS INTRODUCTION TO EL PASOANS AT THE FAIR; SNAPPY GAME

Polo, "the millionaire's game," was a Thursday afternoon feature at the fair, the first game of a three days' tournament, and beginning of southwestern polo history. Cattlemen of Midland, Tex., who raise polo ponies and ride them, too, contested with El Paso patrons of the long-mallet. The visitors won by eight goals to El Paso's four.

Under the new year's rules, which require periods of 14 minutes, instead of 10 minutes, play was snappy, with many brilliant drives and follows, but too open for proper form. The mounts showed training in following the ball, and the riders played clean and without accident.

Although the city men fought hard, the ranchmen proved too clever at every crack of the stick. During the last of the four periods, a sand storm caused annoyance to players and spectators. John M. Cowden, of Midland, played a ripping game from whistle to whistle, accomplishing the unusual feat of making every one of the eight goals for his team. His clean drives and dashing follows proved perfect form and head. One of El Paso's points was made by an unidentified Midland play-

er, who made a mis-stroke and sent the ball between his home goal posts. But even this did not throw the players in a huff.

Work of the El Paso team is evenly credited, since each but one player made a goal. Greenbaum played the first period, but on account of an unruly mount, retired for Lieut. Theus, of Fort Bliss, who participated as an El Paso resident. Dr. J. A. Edmonds was referee, but retired for Capt. F. B. Hennessey, of Fort Sam Houston.

Friday's play will bring together the riders from Midland and the officers of Fort Sam Houston. Fast work is expected. A return match will occur Saturday. The "rich man's game" in the east, which is "any man's game" in the west, is expected to have a spurt among horsey folk of the southwest as a result of this, initial tourney.

The scores by periods of Thursday's game follows:

El Paso 0 2 0 2 4
Midland 2 2 2 2 8
The teams' lines were:
Midland—No. 1, Half; No. 2, Coyle; No. 3, Cowden; back, Palmer.
El Paso—No. 1, Beers; No. 2, Moss; No. 3, Greenbaum and Theus; back, Rowe.

A., A. & M. college of New Mexico, Y. M. M. I. A. of the Mormon colonies of Mexico, Bisbee high school, Douglas high school, Albuquerque high school, Roswell high school, New Mexico School of Mines.

In March was held the first annual basketball tournament, with five organizations competing, the honors going to the Bisbee high school; second place to the Mormon colony at Colonia Juarez, and third place to the El Paso Y. M. C. A.

In May was held the first annual track and field meet, the honors in this case going to the A. & M. college; Y. M. C. A. second, and El Paso high school third.

These activities will be repeated this year also and in addition it is expected that the tennis, baseball and football features will be considered. The matters for consideration at the annual meeting to be held tonight will include: Annual election of officers, possible changes in the constitution to suit arising conditions, division into collegiate and academic branches, setting of dates for the annual basketball, track and field meets, standards for competition in institutions of learning, etc.

NEARER MY GOD TO THREE PLAYED AT AUTO RACES

Atlanta, Ga., Nov. 4.—A drama new to American automobile racing was enacted on the speedway just before the start of the 100 mile race.

While the strains of "Nearer My God to Thee" flowing from the grand stand band, nine big racing cars lined up at the starting wire, their engines stalled for 15 minutes while their drivers with bared heads waited for the last prayer to be said in another part of the city at the funeral of Al Livingstone, who was to have started in the 100 mile race, but who was killed in practice here two days ago.

After the hymn there was a long silence, respected by all the thousands in the enclosure.

YALE PLAYERS OUT OF GAME. New Haven, Conn., Nov. 4.—It is possible that in the game with Brown here Saturday, Yale will be without the services of the only two veteran players of the team, Kilpatrick, who was injured yesterday, is suffering from a bad muscle strain in the side and while he would be able to play, it is expected that the coaches may deem it best to keep him out of the game. The other veteran, captain Lally, has not been in any of the scrimmages of the week because of a strain.
